Premier English Educational Holidays since 1951

We're the only current British Council ELTons award winning school in the world.

New Academic Residential Programme

Prepare for university and further study with an intensive residential English language course for students aged 16-20 from all over the world.

“ We are pleased to announce our new venue for 2018 is West Buckland School, an outstanding independent boarding school set in 90 acres of stunning countryside in the South West of England. Students enjoy learning in a beautiful and safe rural location, close to the spectacular Atlantic coast in North Devon.

Our unique 3 week residential educational experience with a diverse and enriching curriculum is designed for 16-20 year old students providing a taster of what it's like to study at university level in the UK.

Our carefully planned schedule ensures that the programme meets the academic needs of students, allows time to enjoy the excellent facilities on site at West Buckland School and experience our cultural life with an abundance of extra-curricular activities. ”

Jose Brinkmann, Managing Director
Maribel Cabrera, School Principal

Students will benefit from some exceptional facilities at West Buckland School including:

- Parker's – a dedicated residential centre offering a friendly and welcoming community environment. This newly built accommodation offers en-suite single bedrooms, a fully fitted kitchen and a variety of open spaces.
- A library and study centre which opened in 2015, providing open plan learning spaces, library and IT resources.
- A outstanding sports complex including a sports hall, first-class fitness suite, an all-weather pitch, 25m indoor swimming pool, extensive playing fields, squash courts, tennis courts and shooting ranges.

Study Skills Programme with IELTS

Entry level:
B2 or above

25 hours study
per week

This course has been specifically designed to develop the language and study skills students will require in further education.

Students will be guided to acquire an array of skills which facilitate the process of organising and taking in new information, retaining information and handling evaluation.

The course will cover four modules:

- Manage yourself to study
- Academic skills
- People and presentation skills
- Task Management skills

The IELTS preparation module will run parallel to the above components.

Course outcomes

Upon completion of the course, students will be:

- More confident and autonomous learners
- Able to use a range of study skills to cope with academic work
- Well prepared for the IELTS exam

Morning 				Afternoon 			Evening 			
Monday - Friday	Breakfast	Student Meeting	IELTS Exam Preparation	Communicative Skills	Lunch	Study Skills	Free Time	Dinner	Evening Events	Free Time
